

**HUNTER DOUGLAS DUETTE® ARCHITELLA® HONEYCOMB SHADES**  
**FROM Windows & Beyond, Inc.**

**PROVIDE A WAY TO REDUCE ENERGY COSTS AND HELP THE ENVIRONMENT**

Fremont, Calif. / Jan 29, 2009, Hunter Douglas Duettes® Architella® honeycomb shades, *featured above*, are one of the most energy-efficient products on the market today and boast a patented honeycomb-within-a-honeycomb design that, when properly installed, can actually reduce heat loss and gain at the window by up to 50 percent and lower heating and cooling costs. During the *Stop The Great Energy Giveaway* promotion between February 1 and April 30, 2009, consumers will be rewarded with a \$50 rebate per window on up to 10 windows at Windows & Beyond, Inc. in Fremont, Calif. Other stylish, energy-efficient Hunter Douglas window fashions are offered at savings as well.
